EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following statements sets out all material facts relating to the business mentioned under item No.2 to 4 of the accompanying notice

Item No.2

The present Authorised Share Capital of the Company is Rs. 20,00,00,000/- (Rupees Twenty Crore Only) comprising of 10,00,00,000 (Ten crore) Equity Shares of Rs.2/- each.

Considering the increased fund requirements of the Company, the Board at its Meeting held on 1st September, 2021, had accorded its approval for increasing the Authorised Share Capital from Rs. 20,00,00,000/- (Rupees Twenty Crore Only) to Rs. 40,00,00,000/- (Rupees Forty Crore Only) by creation of 20,00,00,000 (Twenty Crore) additional equity share of Rs.2/- each, subject to shareholders approval.

It is therefore proposed to increase the Authorised Share Capital of the Company from Rs. 20,00,00,000/- (Rupees Twenty Crore Only) to Rs. 40,00,00,000/- (Rupees Forty Crore Only) by creation of 20,00,00,000 (Twenty Crore) additional equity share of Rs.2/- each ranking paripassu with the existing Equity Shares in all respects as per the Memorandum and Articles of Association of the Company.

Consequently, Clause V of the Memorandum of Association would also require alteration so as to reflect the changed Authorised Share Capital.

The proposal for increase in Authorised Share Capital and amendment of Memorandum of Association of the Company requires approval of members at a general meeting.

A copy of the Memorandum of Association of the Company duly amended will be available for inspection in the manner provided in the note no. 5 to this Notice.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives, are in any way concerned or interested, financially or otherwise in the said resolution.

The consent of the members is, therefore, being sought for passing the aforesaid resolution of the notice as an Ordinary Resolution.

Item No. 3 and 4

The members of the Company at the 15th Annual General Meeting held on 30th September, 2021 has approved the appointment of M/s. Bagaria & Co. 1. Financial Operations & State of Affairs of the Company

During the year under review, total income of the Company increased for the year ended March 31, 2021 to Rs. 2,897 lakhs from Rs. 2,117 lakhs achieved during the previous year.

Even though the Company's income was increased, in view of the better margin and control on cost, loss before tax for the year was decreased to Rs. 767 lakhs as against Rs. 1,211 lakhs in the previous year registering decrease in losses.

Your Directors assure to reduce and accelerate the growth momentum in coming years and strive for bright future for your Company.

2. Impact of COVID-19

The year started amidst a strict nationwide lockdown in India with tough restrictions on economic activity and mobility. The Company, and indeed the entire real estate sector in India, saw a collapse in construction activity following the lockdown. At that time, there was an unprecedented uncertainty about the eventual impact of the Covid-19 pandemic.

To deal with the situation, the Company formed a cross-functional Rapid Action Force which constantly monitored the situation and took swift and effective actions to mitigate the risks associated with the Covid-19 crisis. This included meeting safety and health related challenges of its people, ensuring business continuity under lockdown and adapting the organisation to ramp-up operations as restrictions were gradually lifted.

During the year, it implemented several technology-aided interventions to adapt to the new environment and ensure effective business operations including project launches and sales. At its project sites, technology enabled real-time monitoring of progress and adherence to the comprehensive safety and health protocols. Besides, the Company took several measures to support workers with essential supplies, medical care, facilities for safe worker movement to sites and provision for on-site accommodation, where possible, to mitigate risks associated with disruption of construction activity on account of Covid-19 pandemic. The Company continues to be fully aligned with government guidelines and best practices on safety, health and hygiene.

The Company is actively monitoring the impact of the Covid-19 pandemic on its financial condition, liquidity, operations, suppliers, industry, and workforce. It has used the principles of prudence in applying judgments, estimates and assumptions based on the current estimates. In assessing the recoverability of assets such as goodwill, inventories, financial and other assets, based on current indicators of future economic conditions, the Company expects to recover the carrying amounts of its assets. The extent to which Covid-19 impacts the operations will depend on future developments which remain uncertain.

Besides this, no material changes and commitments have occurred after the close of the year till the close of this Report, which affects the financial position of the Company.

3. Change in the nature of business, if any:

The Company is engaged in Engineering and Construction (E&C) business.

4. Dividend

In view of the losses incurred, your Directors do not recommend any dividend for the year.

5. Transfer to Reserves

During the financial year 2020-21 the Company has not transferred any amount to any reserve.

6. Details of the Companies which have become or ceased to be its Subsidiaries, Joint Ventures or Associate Companies during the year:

Due to slowdown in the economy and liquidity crunch in Singapore, the subsidiary of the Company namely Ready Made Steel Singapore Pte. Ltd. is under liquidation process and its step down subsidiary KH Foges Pte. Ltd. is under restructuring process. Hence, due to non-availability of the figures for the year ended 31st March, 2021, the same have not been considered for the purpose of the consolidated financial results. Accordingly, the Consolidated figures for the year ended 31st March, 2021 includes only the Indian subsidiary's figures and are not comparable with the previous years' figures. As a matter of prudence, the Company has, already impaired its investments and loans outstanding in the said subsidiary Readymade Steel Singapore Pte. Ltd., in its standalone financials. In view of the same, there will be no material impact of the said liquidation on the financials of the Company.

Consequently, the consolidated figures for the year ended March 31, 2021 consists of one subsidiary viz. Kridhan Infra Solutions Private Ltd and one Associate Company viz. Vijay Nirman Company (P) Ltd.

As required pursuant to first proviso to sub section (3) of section 129 read with Rule 5 of Companies (Accounts) Rules, 2014, Form AOC-1 forms part of this report, appended as Annexure A.

Further, pursuant to the provisions of Section 136 of the Act, the financial statements of the Company including consolidated financial statements along with relevant documents and separate audited financial statement in respect of subsidiary, are available on the website of the Company at www.kridhan.com

Management Discussion and Analysis

Industry Structure and developments

This discussion provides an assessment by Management of the current financial position, results of operations for the financial year ended March 31, 2021. Information presented in this discussion supplements the financial statement, schedules and exhibits for the financial year ended March 31, 2021.

Global Economic Overview:

2020 is a year that many would remember for years, the covid-19 pandemic has not only presented with a global health crisis but has also severely impacted the global financial markets and the economies. Significant reductions in income, a rise in unemployment, rise in external debt and disruptions in economic activities has pushed a number of economies into a recession or have taken them to a brink of one

The first half of 2020 witnessed stringent lockdown norms being implemented in most of the countries across the globe. This was necessary to stem the rapid spread of the virus but it also meant putting a screeching halt to all the major economic activities. This resulted in a rapid contraction of the global economy. However, the things started to improve in the second half of 2020 with the gradual withdrawal of the lockdowns and the economic activities slowly picking up pace. Backed by the rebound in the oil prices and the commodity prices, the global demand also firmed up. According to the International Monetary Fund (IMF), the global economy is likely to have contracted by nearly 3.3% in 2020, an outcome "far worse" than the 2009 global financial crisis.

Owing to the disruptions caused by the pandemic some of the major economies of the globe witnessed the highest ever fall in key economic activities such as manufacturing, resulting decline in the domestic demand. The pandemic has hit the advanced economies the hardest, and together the advanced economies were likely to have grown by -6% in 2020.

Compared to the advanced economies, the emerging market and developing economies (EMDEs) showcased better resistance and were expected to have contracted by -1% during 2020.

Partial easing of stringent lockdowns, during the latter half of 2020 and early 2021, instigated the resumption of business activities and goods trading witnessed slow improvement.

One year into the COVID-19 pandemic, the accumulating human toll continues to raise concerns, even as growing vaccine coverage lifts sentiment. According to IMF, after witness the worst year since the World War II, the global economy is like to stage a commendable growth in 2021. The global economy is expected to grow by 5.5% in 2021, this is likely to happen on the back of steady spread of the Covid-19 vaccines which is to power a stronger global economic recovery in 2021. The vaccines should contain the spread of the virus and is likely to encourage a return to normal economic activity.

Domestic Economic Overview:

The ravages of the COVID-19 pandemic have taken a heavy human toll, not just in terms of afflicting lives and human well-being, but also by impacting incomes and livelihoods of the people of India. Amongst the G20 economies, the Indian economy witnessed the steepest contractions during 2020 as it contracted for two straight quarters in the first half of FY21. This also led the Indian economy to a technical recession in FY21 after a gap of more than 40 years.

With nearly one year since the spread of the Covid-19 pandemic, the nation still continues its fight against the novel virus and wade through the pandemic-induced challenges. However, with the phased unlocking of the economic activities, easing of movement restrictions, pent-up demand, and the revival of several infrastructure projects led to the slow recovery of the economy in the latter half of FY21. As anticipated, while the lockdown resulted in a 23.9% contraction in GDP in Q1, the recovery has been a V-shaped one as seen in the 7.5% decline in Q2 and then a steady recovery across all key economic indicators in the second half of FY21. India reported a growth of (8)% in FY21 and is expected to bounce back to grow at 8.3% in FY22. Aided by the

ramped-up vaccination process and additional fiscal support from the government, the Indian economy is likely to continue on its recovery path. The only concern or road block can prove to be the second wave of the pandemic outbreak hitting the nation.

As India continues to grapple with the pandemic stepping into the new year brings in new ray of hope for the economy and its people. With the rollout of Covid-19 vaccine, India may have turned toward the road to recovery but still in need of an encompassing plan to return on the growth track. Lower infection and fatality rates, and the possibility of widespread vaccine deployment are expected to improve consumer and business confidence. Further impetus to the economy is being provided by the pent-up demand for more elastic discretionary goods. This is likely to be driven by the top 10 income percentile of the population that could not spend because of mobility restrictions and may spur private investment that has been contracting for five consecutive quarters now

Outlook

Although economic activity witnessed a strong rebound towards the end of 2020, COVID-19 is expected to have a lasting impact going forward, as many countries and sectors are going through an uneven recovery. While the current recovery momentum is well supported by ongoing vaccination and stimulus measures, renewed waves and new variants of the virus continue to pose concerns on the outlook. Against this backdrop, IMF is projecting the global economy to grow by 5.5% in 2021 as against the estimated contraction of -3.5% in 2020. In its 14th Five Year Plan, China has announced a 6% GDP target for 2021 with emphasis on reforms, innovation and high-quality development.

India had entered into 2021 with lower growth projections on the economic front led by global economic slowdown and the continuing coronavirus pandemic with sharp rise in daily cases after second wave has led to stricter localised lockdown conditions which further impacted businesses as well as the economic situation.

The International Monetary Fund (IMF) raised its FY22 growth forecast for India to 12.5% from 11.5% estimated earlier in January, even as a resurgent Covid spread in second phase has affected the country's economic recovery. The IMF forecast pitches India as the fastest-growing major economy and the only one expected to record a double-digit recovery from pandemic-hit 2020.

Opportunities:

The Company has witnessed in the recent term an increasing push by the Government on infrastructure development across the nation with the objective of improving roadways, connectivity, and urbanization in this new decade. With consistently high awarding and construction activity, the company sees good potential with a strong pipeline ahead.

Threats

Resurgence of infections leading to fresh lockdowns, both localized as well as at regional / national levels resulting in disruption in economic activity. Land acquisition delays leading to delays in approvals and project execution

Labour intensive business leading to direct impact on project sites due to labour shortages resulting in Unforeseen disruptions in raw material/ labour unavailability.

Slower recovery in services, which is the backbone of Indian economy leads to Cash flow disruptions in event of economic slowdown.

Risk and concerns:

The Company has an effective risk management framework in place to primarily control business and operational risks. The major risk areas are periodically and systematically reviewed by the senior management and risk-management committee. Comprehensive policies and procedures help identify, mitigate and monitor risks at various levels. Further, the Company remains vigilant to the opportunities and will not hesitate to exploit them provided the Company can do so by eliminating any risk to our capital. By taking such proactive measures, the Company ensures that strategic business objectives are achieved seamlessly.

Internal control systems and their adequacy

The Management monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company and its subsidiaries. Based on the report of management, process owners undertake corrective action(s) in their respective area(s) and thereby strengthen the controls.

The Audit Committee reviews the reports submitted by the management. Also, the Audit Committee has independent sessions with the external auditor and the Management to discuss the adequacy and effectiveness of internal financial controls over financial reporting and internal financial controls respectively.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Kridhan Infra Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Kridhan Infra Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

It may be noted that due to COVID-19 pandemic there was lockdown and hence restriction on physical movements, social distancing, work timings, work from home, etc. Besides that the place of business was in Red Zone classification of lockdown. Hence, we were unable to visit the place of business frequently and had to rely on information digitally provided to conduct audit procedures. Due to this, opinion expressed in this report is mainly based on the information, explanation, facts, supporting and other requirements made available to us through electronic medium by the management.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA's) issued by ICAI and specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the

Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a) We draw attention to Note No. 30 & 40 of the standalone financial statements, wherein the company has stated that it has provided for impairment loss of Rs. 655.92 Lacs in respect of its receivables and loans and advances.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key Audit Matter	How our audit addressed the matter
<i>Impairment of investments in subsidiary companies</i>	
<p>The company has made investments in equity and other instruments issued by its subsidiary company which carry on business in different geographical areas and are thus exposed to risks that are significantly different from those to which the company is exposed. In terms of the requirement of Ind AS 36 - Impairment of Assets, the company is required to evaluate the impairment loss, if any, on these investments which is done by carrying out an impairment testing of these investments. Such impairment testing is done by comparing the cost of such investments vis-à-vis the value in use that these investee subsidiary companies generate / potentially generate over the future envisaged life span. The determination of the recoverable amount from the subsidiary is a technical matter and involves significant judgements w.r.t. the amount that may be recovered and hence the evaluation of impairment of investments in subsidiary companies has been considered as a key audit matter.</p>	<p>Our audit procedures includes the following:</p> <ol style="list-style-type: none"> a) Reviewed the past earnings. The Singapore Subsidiary in which the company has made investment is under liquidation hence there shall be no future earnings. b) Discussed the realisable value of the net assets of the subsidiaries to evaluate the impairment from a distress sale point of view. The company has impaired the investment in subsidiary fully. In the absence of any documents the impairment value could not be ascertained by us.
<i>Litigation and Claims</i>	
<p>Litigation and claims are pending with multiple tax and regulatory authorities and there are claims from vendors/suppliers and employees which have not been acknowledged as debt by the company.</p> <p>In the normal course of business, financial exposures may arise from pending legal/regulatory proceedings and from above referred claims not acknowledged as debt by the company. Whether a claim needs to be recognized as liability, disclosed as contingent liability or considered as remote in the standalone financial statements is dependent on a number of significant assumptions and judgments. The amounts involved are potentially significant and determining the amount, if any, to be recognized or disclosed in the financial statements, is inherently subjective.</p> <p>We have considered Litigations and claims as Key Audit Matter as it requires significant management judgment, including accounting estimates that involves high estimation uncertainty.</p>	<p>Our audit procedures included the following:</p> <p>Understood Management's process and control for determining tax litigations and other litigations and claims and its appropriate</p> <p>Tested key controls surrounding such litigations Discussed pending matters with the Company's legal department Assessed management's conclusions through understanding precedents set in similar cases.</p> <p>We have assessed the appropriateness of presentation of the most significant contingent liabilities in the standalone financial statements</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material

misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure - I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by

law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply, in material respect, with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure II.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would have a material impact its financial position other those disclosed at Note No. 42;
 - ii) Based on the assessment made by the company, there are no material foreseeable losses on its long term contracts that may require any provisioning;
 - iii) In view of there being no amounts required to be transferred to the Investor Education and Protection Fund for the year under audit, the reporting under this clause is not applicable.

Annexure – B to the Independent Auditors Report

Referred to in para 8 of our report of even date, to the members of Kridhan Infra Limited for the year ended March 31, 2021.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Kridhan Infra Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that

we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021,

based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March, 2021

1 Corporate Information

Kridhan Infra Limited ('Kridhan' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at 203, Joshi Chambers, Ahmedabad Street, Carnac Bunder, Masjid. Mumbai-400 009. The Company's shares are listed and traded on Stock Exchanges in India. The Company is engaged in the business of trading in iron and steel and allied materials.

2. Application of new Indian Accounting Standards

2.1 All the Indian Accounting Standards issued under section 133 of the Companies Act, 2013 and notified by the Ministry of Corporate Affairs (MCA) under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparation of these Financial Statements.

2.2 Standards issued but not yet effective

The MCA has notified the Companies (Indian Accounting Standards/ Ind AS) Amendment Rules, 2019 on March 30, 2019, whereby Ind AS-116 relating to "Leases" has been made applicable from financial year 2019-20 (i.e. April 1, 2019 onwards)

Ind AS 116 Leases

The Standard supersedes the existing Ind AS 17 "Leases". Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months unless the underlying asset is of low value and sets out the principles for the recognition, measurement, presentation and disclosure of leases. The Company is evaluating the requirements of the same and its effect on the Financial Statements is not likely to be material Amendment to Ind AS 109 Financial Instruments

The amendment to Ind AS 109 requires accounting for prepayment features with negative compensation in case of debt instruments. As the Company does not have any such financial instruments which meet the conditions, the amendment has no effect on the financial statements.

Amendment to Ind AS 111 Joint Arrangements

The amendment to Ind AS 111 prescribes accounting in

case of obtaining joint control of an operation wherein there was no joint control earlier. As the Company does not have any contracts of Joint arrangement, the amendment has no effect on the financial statements of the Company.

Amendment to Ind AS 12 Income Taxes

The amendment to Ind AS 12 requires recognition of income tax consequences of dividends when an entity recognises a liability to pay a dividend in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Further amendment to Appendix C to Ind AS 12 provides the requirements of the amendment are to be applied while performing the determination of taxable profit (or Tax Loss), tax bases, unused tax losses, unused tax credits, and tax rates, when there is uncertainty over income tax treatment of an item by tax authorities.

The Company is evaluating the requirements of the same and its effect on the Financial Statements. However, the impact is not likely to be material.

Amendment to Ind AS 19 Employee Benefits

The amendment to Ind AS 19 prescribes accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long-term employee benefit plans. The Company does not have any amendment, curtailment or settlement occurring in-between the reporting period in case of long-term employee benefit plans, the amendment has no effect on the financial statements of the Company. The Company will apply the requirements when there is any amendment, curtailment or settlement of any long term employee benefit plan.

Amendment to Ind AS 23 Borrowing Costs

The amendment to Ind AS 23 prescribes the accounting treatment for specific borrowings post capitalization of corresponding qualifying asset.

As the Company does not have any borrowings for the purpose of obtaining a qualifying asset, the amendment has no effect on the financial statements of the Company.

3. Significant accounting policies

3.1 Statement of compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2017.

The Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

3.2 Basis of preparation

The Financial Statements have been prepared on the historical cost convention on accrual basis except for certain assets that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal lakhs except otherwise stated.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted

prices included within level 1 for the asset or liability.

- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

3.3 Investments in subsidiaries and associates

The Company records the investments in subsidiaries and associates at cost less impairment loss, if any.

On disposal of investment in subsidiary and associate, the difference between net disposal proceeds and the carrying amounts (including corresponding value of dilution in deemed investment) are recognized in the Statement of Profit and Loss.

Interest free loans provided to subsidiary are recognized at amount paid on the date of disbursement.

3.4 Property, Plant and Equipment

The Company had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its Land which has been measured at Fair Value as on the transition date.

Freehold land is not depreciated.

Property, Plant and Equipment (PPE) used for business purposes are carried at cost, less any accumulated depreciation and recognised impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

Depreciation of PPE commences when the assets are

ready for their intended use.

Depreciation is provided over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company.

The estimated useful lives, residual values and depreciation method are reviewed periodically and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions / deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items not exceeding ₹ 5,000/- which are fully depreciated at the time of addition.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding five years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.

Intangible assets is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

3.6 Impairment of tangible and intangible assets

The Company reviews the carrying amount of its tangible and intangible assets at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset

is estimated in order to determine the extent of the impairment loss (if any).

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

3.7 Inventories comprising of saleable stock are valued at cost or Net Realisable Value, whichever is lower.

Consumable stock are valued at Cost.

3.8 Revenue recognition

(i) Revenue is recognised when the property in the goods is transferred in favor of the customer, which normally coincides with the date of physical delivery. In case of transit sales where goods are transferred by transfer of the documents of title, revenue is recognised on the transfer of the document of title.

Revenue from services is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, service tax and sales tax etc. Any retrospective revision in prices is accounted for in the year of such revision.

(ii) Interest on Fixed Deposits is recognised on accrual basis.

(iii) Income from sale of Scrap is accounted on cash basis.

(iv) Dividend income from investments is recognised when the shareholder's right to receive payment is established.

3.9 Foreign Exchange Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using mean exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

3.10 Borrowing Cost

Interest/Finance Cost on loans specifically borrowed for and expansion of projects, upto the point when the project is ready for start of commercial production is charged to the capital cost of the projects concerned.

All other borrowing costs are charged to revenue.

3.11 Employee Benefits

Employee benefits include salaries, wages, provident fund, gratuity, and other terminal benefits.

All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.

Defined contribution plans

Employee Benefit under defined contribution plans comprising provident fund is recognized based on the undiscounted amount of obligations of the Company to contribute to the plan. The same is paid to the EPFO and charged to the statement of profit and loss.

Defined benefit plans

Defined retirement benefit plans comprising of gratuity and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

3.12 Income Taxes

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.13 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

3.14 Financial instruments

Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

3.15 Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received.

3.16 Financial assets

(i) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into

known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.

(iv) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(v) Impairment of financial assets

The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through

a loss allowance. The Company recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

(vi) **Derecognition of financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

3.17 **Financial liabilities**

a) **Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

b) **Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

3.18 **Earnings per share**

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.19 **Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

3.20 **Segment reporting**

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems.

4. **Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty**

Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimation uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, employee benefit obligations, impairment, provision for income tax, measurement of deferred tax assets and contingent assets and liabilities.

4.1 **Critical judgments in applying accounting policies**

The following are the critical judgements, apart from those involving estimations (Note 4.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

(a) **Determination of functional currency**

Currency of the primary economic environment

in which the Company operates (“the functional currency”) is Indian Rupee (₹) in which the Company primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).

(b) **Classification of investment**

Judgement is required in assessing the level of control obtained in a transaction to acquire an interest in another entity; depending upon the facts and circumstances in each case, the Company may obtain control, joint control or significant influence over the entity or arrangement. Transactions which give the Company control of a business are business combinations. If the Company obtains joint control of an arrangement, judgement is also required to assess whether the arrangement is a joint operation or a joint venture. If the Company has neither control nor joint control, it may be in a position to exercise significant influence over the entity, which is then classified as an associate.

4.2 **Assumptions and key sources of estimation uncertainty**

Information about estimates and assumptions that have

the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

(a) **Impairment of assets**

Determination as to whether, and by how much, asset is impaired involves Management estimates on uncertain matters such as future prices, the effects of inflation on operating expenses, discount rate etc.

(b) **Litigations**

From time to time, the Company is subject to legal proceedings and the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavourable outcome and the liability to make a reasonable estimate of the amount of potential loss. Provision for litigations are reviewed at the end of each accounting period and revisions made for the changes in facts and circumstances.

There are no Micro and Small Enterprises as defined in the Micro and Small Enterprises Development Act, 2006 to whom the company owes dues on account of principal amount together with interest and accordingly no additional disclosures have been made. The above information regarding Micro and Small Enterprises has been determined to the extent such parties have been identified on the basis of information available with the company which have been relied upon by the auditors.

Note 35 : Fair Values

The carrying values of financials instruments of the Company are reasonable and approximations of fair values.

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Note 36: Financial instruments – Fair values and risk management**Risk management framework**

The Company's activities expose it to a variety of financial risks, including revenue risk, market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of revenue risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The company's primary business is dealing in Iron and Steel products which is on credit to parties and are subjected to assessment of creditworthiness. The creditworthiness is periodically reviewed for any high credit risk receivable. Based on such assessment the management is of the view that there is a moderate credit risk in respect of its trade receivables.

Trade and other receivables

"The company's primary business is trading and providing services. There are certain receivables arising from the same for which, required assessment of credit worthiness is being carried out by the company on a recurring basis based on which the company is of the view that there are no significant expected losses on account of its trade receivables. The age-wise breakup of the receivables is as under:"

Summary of the Company's exposure to credit risk by age of the outstanding from its customers is as follows:

Amount in ₹ Lakhs

Particulars	31-Mar-21	31-Mar-20
Neither past due nor impaired	500.94	2,221.88
Past due but not impaired		-
Past due 1 - 90 days		
Past due 91 - 180 days	460.54	116.21
Past due 181 - 270 days	244.64	97.70
Past due 271 - 365 days	10.21	243.57
Past due more than 365 days	1583.13	1,180.72
	2,799.45	3,860.08

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. Hence, the company has not recognized any provision for expected credit loss till date. However, despite the best efforts made by management, some receivables which were continuing since earlier years could not be collected / realised due to which an amount of Rs 9.67 Lakhs (Previous Year Rs.7.65 Lakhs) has been written off during the year and provision for bad debts for an amount of Rs. Nil (Previous Year Rs. 544.38) has been made.

Cash and cash equivalents

Out of total Cash and Cash equivalent of Rs. 39.58 Lacs and Rs. 51.63 Lakhs as at March 31, 2021 and March 31, 2020 respectively, the Company held cash and cash equivalents with credit worthy banks and financial institutions of Rs. 33.71 Lacs and Rs. 42.87 Lakhs as at 31st March 2021 and 31st March 2020 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Loans, investments in group companies

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

Note 37 : Financial risk management objectives and policies

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Currency risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

'Carrying amount of Financial Assets and Liabilities:**Financial assets (carried at amortised cost) :**

Particular	March 31, 2021	March 31, 2020
Loans	1,609	2,107
Trade receivable	2,799	3,860
Cash and cash equivalents	40	52
Others	53	56
At end of the period	4,501	6,074
Financial liabilities carried at amortised cost		
Borrowings (secured)	1922	1,785
Borrowings (unsecured)	-	4
Trade payables	584	383
Other financial liabilities	2,924	4,181
At end of the period	5430	6,353

The sensitivity analysis in the following sections relate to the position as at March 31, 2021 and March 31, 2020.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2021.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020.

'Credit risk on Financial Assets

The company is primarily engaged in the business of trading in Iron and Steel. Payments by it are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of Trade Receivables, Loans and Advances and other assets. Credit risk on cash

balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as it mainly consists of customers who are assessed by the management and the collection is received on timely basis within the credit period which is about 60 to 90 days.

Ageing analysis of the age of trade receivable amounts that are past due as at the end of reporting year but not impaired:

Amount in ₹ Lakhs

	March 31, 2021	March 31, 2020
Less than 90 days	500.94	2221.88
Over 120 days	2298.52	1554.27
	2,799.45	3,776.14

The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities.

The average credit period taken to settle trade payables is about 30 to 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's top management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the top management on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of Directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the Balance Sheet at March 31, 2021 and March 31, 2020 is the carrying amounts as illustrated in Note 10, 12 & 13. The Group's maximum exposure relating to financial guarantees and financial derivative instruments is noted in notes and the liquidity table below.

Interest Rate

The company does not operate in an industry that requires intense capital and hence the exposure to interest rate risk is reasonably moderate. The major component of the interest charge for the company is denominated in variable risk instruments which are basically in the form of loan from banks and FI's. The details of the borrowings of the company is given in the respective notes on borrowings.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rate are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

**Liquidity risk**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company maximum exposure to credit risk for the components of the balance sheet at March 31, 2021 and March 31, 2020 is the carrying amounts as illustrated in Note 20. The Company's maximum exposure relating to financial guarantees are noted in the liquidity table below.

INDEPENDENT AUDITORS' REPORT

To

The Members of Kridhan Infra Limited

Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying consolidated financial statements of Kridhan Infra Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and associates, which comprise the Consolidated Balance Sheet as at 31st March 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

It may be noted that due to COVID-19 pandemic there was lockdown and hence restriction on physical movements, social distancing, work timings, work from home, etc. Besides that the place of business was in Red Zone classification of lockdown. Hence, we were unable to visit the place of business frequently and had to rely on information digitally provided to conduct audit procedures. Due to this, opinion expressed in this report is mainly based on the information, explanation, facts, supporting and other requirements made available to us through electronic medium by the management.

In our opinion and to the best of our information and

according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31st March 21 and its consolidated loss (including other comprehensive income), consolidated changes in equity and consolidated cash flows for the year ended on that date.

2. Emphasis of Matter

We draw attention to

- a) Note No. 16 of the consolidated financial statements, wherein the management has disclosed that the Singapore subsidiary of the company is under the process of liquidation and its material step-down subsidiary at Singapore is under Judicial Management. Hence, due to non-availability of the figures for the year ended 31st March 2021, the same have not been considered for the purpose of consolidated financial results.
- b) Note No. 31 of the consolidated financial statements states that the company has written off / provided for certain old receivables being not recoverable, provision for Impairment & loans to subsidiaries as exceptional items.

Our opinion on the consolidated financial statements is not modified in respect of the above matter.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How our audit addressed the matter
<i>Impairment of investments in subsidiary companies</i>	
<p>The company has made investments in equity and other instruments issued by its subsidiary company which carry on business in different geographical areas and are thus exposed to risks that are significantly different from those to which the company is exposed. In terms of the requirement of Ind AS 36 – Impairment of Assets, the company is required to evaluate the impairment loss, if any, on these investments which is done by carrying out an impairment testing of these investments. Such impairment testing is done by comparing the cost of such investments vis-à-vis the value in use that these investee subsidiary companies generate / potentially generate over the future envisaged life span. The determination of the recoverable amount from the subsidiary is a technical matter and involves significant judgements w.r.t. the amount that may be recovered and hence the evaluation of impairment of investments in subsidiary companies has been considered as a key audit matter.</p>	<p>Our audit procedures includes the following:</p> <ol style="list-style-type: none"> a) Review of the past earnings were carried out for all the subsidiaries. No future earnings were anticipated for Singapore Subsidiary as it is in the process of liquidation and its step down is under Judicial Management. Earnings of the future and the likely costs to work out the likely net earnings available to the company have been calculated for Indian Subsidiary Kridhan Infra Solutions Pvt. Ltd.; b) Reviewed the risks and contingency to which these subsidiaries are exposed to in the prevalent scenario for Indian Subsidiary; c) Discussed / evaluated the potential changes w.r.t. the cash flows anticipated in the future years w.r.t. Indian Subsidiary; d) Discussed the realisable value of the net assets of the subsidiaries to evaluate the impairment from a distress sale point of view w.r.t. Indian Subsidiary.
<i>Litigation and Claims</i>	
<p>Litigation and claims are pending with multiple tax and regulatory authorities and there are claims from vendors/suppliers and employees which have not been acknowledged as debt by the company.</p> <p>In the normal course of business, financial exposures may arise from pending legal/regulatory proceedings and from above referred claims not acknowledged as debt by the company. Whether a claim needs to be recognized as liability, disclosed as contingent liability or considered as remote in the standalone financial statements is dependent on a number of significant assumptions and judgments. The amounts involved are potentially significant and determining the amount, if any, to be recognized or disclosed in the financial statements, is inherently subjective.</p> <p>We have considered Litigations and claims as Key Audit Matter as it requires significant management judgment, including accounting estimates that involves high estimation uncertainty.</p>	<p>Our audit procedures included the following:</p> <ol style="list-style-type: none"> a) Understood Management’s process and control for determining tax litigations and other litigations and claims and its appropriate; b) Tested key controls surrounding such litigations. Discussed pending matters with the Company’s legal department Assessed management’s conclusions through understanding precedents set in similar cases; c) We have assessed the appropriateness of presentation of the most significant contingent liabilities in the standalone financial statements.

4. Other Matters

The consolidated financial statements also include the Group's share of loss (net) of Rs. 1409.98 Lakhs for the period ended 31st March, 2021, as considered in the consolidated financial statements, in respect of its associate, whose financial statements / financial information have not been audited by us. These financial statements / financial information of the associate are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the and associate, and our report in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements / financial information. Accordingly, the same are subject to changes, if any, arising on audit of the same.

Our opinion on the consolidated financial statements is not modified in respect of above matters.

5. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Business Responsibility Report and Report on Corporate Governance but does not include the consolidated financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there

is a material misstatement of this other information, we are required to report that fact.

When we read the information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances & the applicable laws and regulations.

6. Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either

intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associates are also responsible for overseeing the financial reporting process of the Group and its associates.

7. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associates incorporated in India have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting

policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

- i. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements and on the other financial information of subsidiaries and associates, as noted in 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. the consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. in respect of the company on the basis of written representations received from the Directors as on 31st March 2021 and taken on record by the Board of Directors, we report that none of the directors are disqualified as on 31st March 2021 from being appointed as a director in terms of section 164 (2) of the Act.
- f. with respect to the adequacy of the internal financial controls with reference to financial statement of the Holding Company, its subsidiaries and associates incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure I".
- h. with respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the consolidated financial statements have disclosed the impact of the pending litigations on its financial position of the Group and its associates. –Refer Note 42 to the consolidated financial statements;
 - ii. according to information and explanations given to us, the Group and its associates have made provision for material foreseeable losses, if any, in respect of long-term contract including derivatives contracts; and
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group, its associates and joint ventures.

Annexure - 1 to Independent Auditors' Report on Consolidated Financial Statements

(Referred to in paragraph 9 (i) (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Kridhan Infra Limited (herein after referred to as "the Holding Company") as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiaries which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiaries and associates which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company, its subsidiaries and associates which are companies incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiaries and associates which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered

Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of the reports referred to in the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Holding Company, its subsidiaries, associates and joint ventures, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts

and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and associate have in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2021, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to a subsidiary which is a company incorporated in India, is based on the corresponding standalone reports of the auditors, as applicable, of such companies incorporated in India. In respect to the associate, which is a company incorporated in India, we are unable to comment on the adequacy or otherwise of such controls since the audited financials in respect of the same are not available due to the audit not being completed.

Our aforesaid reports under Section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements does not include in respect of associate, which is a company incorporated in India whose audit reports are not available. In our opinion and according to information and explanations given to us by the Management, these financial information are not material to the Group.

Our opinion is not modified in respect of these matters.

Notes to Consolidated Financial Statements

1 Corporate Information

Kridhan Infra Limited ('Kridhan' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at 203, Joshi Chambers, Ahmedabad Street, Carnac Bunder, Masjid. Mumbai-400 009. The Consolidated Financial Statements comprise of financial statements of Kridhan Infra Limited ('the Company' or 'the Holding Company') and its subsidiaries (collectively, "the Group") for the year ended March 31, 2021. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its share are listed on two recognised stock exchanges in India viz BSE and NSE.

2. Application of new Indian Accounting Standards

2.1 All the Indian Accounting Standards issued under section 133 of the Companies Act, 2013 and notified by the Ministry of Corporate Affairs (MCA) under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparation of these Financial Statements.

2.2 Standards issued but not yet effective

The MCA has notified the Companies (Indian Accounting Standards/ Ind AS) Amendment Rules, 2019 on March 30, 2019, whereby Ind AS-116 relating to "Leases" has been made applicable from financial year 2019-20 (i.e. April 1, 2019 onwards)

Ind AS 116 Leases

The Standard supersedes the existing Ind AS 17 "Leases". Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months unless the underlying asset is of low value and sets out the principles for the recognition, measurement, presentation and disclosure of leases. The Company is evaluating the requirements of the same and its effect on the Financial Statements is not likely to be material.

Amendment to Ind AS 109 Financial Instruments

The amendment to Ind AS 109 requires accounting for prepayment features with negative compensation in case of debt instruments. As the Company does not have any such financial instruments which meet the conditions, the amendment has no effect on the financial statements.

Amendment to Ind AS 111 Joint Arrangements

The amendment to Ind AS 111 prescribes accounting in case of obtaining joint control of an operation wherein there was no joint control earlier. As the Company does not have any contracts of Joint arrangement, the amendment has no effect on the financial statements of the Company.

Amendment to Ind AS 12 Income Taxes

The amendment to Ind AS 12 requires recognition of income tax consequences of dividends when an entity recognises a liability to pay a dividend in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Further amendment to Appendix C to Ind AS 12 provides the requirements of the amendment are to be applied while performing the determination of taxable profit (or Tax Loss), tax bases, unused tax losses, unused tax credits, and tax rates, when there is uncertainty over income tax treatment of an item by tax authorities.

The Company is evaluating the requirements of the same and its effect on the Financial Statements. However, the impact is not likely to be material.

Amendment to Ind AS 19 Employee Benefits

The amendment to Ind AS 19 prescribes accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long-term employee benefit plans. The Company does not have any amendment, curtailment or settlement occurring in-between the reporting period in case of long-term employee benefit plans, the amendment has no

effect on the financial statements of the Company. The Company will apply the requirements when there is any amendment, curtailment or settlement of any long term employee benefit plan.

Amendment to Ind AS 23 Borrowing Costs

The amendment to Ind AS 23 prescribes the accounting treatment for specific borrowings post capitalization of corresponding qualifying asset.

As the Company does not have any borrowings for the purpose of obtaining a qualifying asset, the amendment has no effect on the financial statements of the Company.

2.3 Basis of Preparation

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended thereafter.

For all periods up to and including the year ended March 31, 2017, the Group has prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP'). These financial statements for the year ended 31 March 2021 are prepared in accordance with Ind AS.

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instruments) which have been measured at fair value. The consolidated financial statements are presented in Indian Rupee ('INR') which is also the Group's functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated.

3. Significant accounting policies

3.1 Statement of compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2017.

The Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

Previous period figures in the Financial Statements have been restated in compliance to Ind AS.

3.2 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 March 2021. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Subsidiaries are entities controlled by the Group. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The financial statements of each of the subsidiaries used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on 31 March except in respect of Singapore subsidiary Readymade Steel Singapore Pte Ltd. which is under liquidation process. For the said reason the financials of the Singapore Subsidiary have not been consolidated with that of the holding company due to non-

availability of the figures of the same for the year ended 31st March 2021.

3.2.1 Process for consolidation

Consolidation procedure:

- i. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiary(ies). For this purpose, income and expenses of the subsidiary(ies) are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date. The exchange rate used for conversion in case of items of profit and loss is the average rate for the year and for the balance sheet items is the closing rate for the year / period.
- ii. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- iii. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full, except as stated.
- iv. Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.
- v. Non-controlling interests, if any, in the net assets of consolidated subsidiaries consists of :
 - a) The amount of equity attributed to non-controlling interests at the date on which investment in a subsidiary

relationship came into existence;

- b) The non-controlling interest share of movement in equity since the date parent subsidiary relationship came into existence;
- c) Non-controlling interest share of net profit/(loss) of consolidated subsidiaries for the year is identified and adjusted against the profit after tax of the Group.
- vi. The following components have been considered for the purpose of the consolidated financial statements :

Direct Subsidiaries:

- Kridhan Infrasolutions Pvt. Ltd. (100% holding as on 31 Mar 21 & 31 Mar 20)
- vii. The following components have been ignored for the purpose of the consolidated financial statements :

Direct Subsidiaries:

- Readymade Steel Singapore Pte. Ltd. (100% holding as on 31 Mar 21) as the same is under liquidation process.

Step Down Subsidiaries (being subsidiaries of Readymade Steel Singapore Pte. Ltd.)

3.2.2 Business combinations and goodwill & Impairment thereof

The Group has exercised exemption and elected not to apply Ind AS accounting for business combinations retrospectively.

The excess of cost to the group of its investments in subsidiary companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the Consolidated Financial Statements. This Goodwill is tested for impairment at the close of each financial year. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.

Goodwill is accordingly de-recognised when there are indications of impairment of the investments or the group ceases control of the subsidiary by disposal, sale or otherwise.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

3.3 Investments in associates

The Company records the investments in subsidiaries and associates at cost less impairment loss, if any.

On disposal of investment in subsidiary and associate, the difference between net disposal proceeds and the carrying amounts (including corresponding value of dilution in deemed investment) are recognized in the Statement of Profit and Loss.

Interest free loans provided to subsidiary are recognized at amount paid on the date of disbursement.

3.4 Property, Plant and Equipment

The Group had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of

its Land which has been measured at Fair Value as on the transition date.

Freehold land is not depreciated.

Property, Plant and Equipment (PPE) used for business purposes are carried at cost, less any accumulated depreciation and recognised impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

Depreciation of PPE commences when the assets are ready for their intended use.

Depreciation is provided over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company.

The estimated useful lives, residual values and depreciation method are reviewed periodically and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions / deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items which are fully depreciated at the time of addition.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying

amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding five years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.

Intangible assets is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

3.6 Impairment of tangible and intangible assets

The Group reviews the carrying amount of its tangible and intangible assets at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been

recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

3.7 Inventories comprising of saleable stock are valued at cost or Net Realisable Value, whichever is lower.

Consumable stock are valued at Cost.

3.8 Revenue recognition

(i) Revenue is recognised when the property in the goods is transferred in favor of the customer, which normally coincides with the date of physical delivery. In case of transit sales where goods are transferred by transfer of the documents of title, revenue is recognised on the transfer of the document of title.

Revenue from services is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, service tax and GST etc. Any retrospective revision in prices is accounted for in the year of such revision.

- (ii) Interest on Fixed Deposits is recognised on accrual basis.
- (iii) Income from sale of scrap is accounted on cash basis.
- (iv) Dividend income from investments is recognised when the shareholder's right to receive payment is established.

3.9 Foreign Exchange Transactions

The functional currency of the Group is Indian Rupees which represents the currency of the primary economic environment in which it operates.

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using mean exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

3.10 Borrowing Cost

Interest/Finance Cost on loans specifically borrowed for and expansion of projects, upto the point when the project is ready for start of commercial production is charged to the capital cost of the projects concerned.

All other borrowing costs are charged to revenue.

3.11 Employee Benefits

Employee benefits include salaries, wages, provident fund, gratuity, and other terminal benefits.

All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.

Defined contribution plans

Employee Benefit under defined contribution plans comprising provident fund is recognized based on the undiscounted amount of obligations of the Group to contribute to the plan. The same is paid to the EPFO and charged to the statement of profit and loss.

Defined benefit plans

Defined retirement benefit plans comprising of gratuity and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the

projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

3.12 Income Taxes

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.13 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

3.14 Financial Instruments

Financial assets and financial liabilities are recognised when Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are

directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

3.15 Equity instruments

Equity instruments issued by the Group are recorded at the proceeds received.

3.16 Financial assets

(i) Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a

business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.

(iv) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(v) Impairment of financial assets

The Group assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

(vi) Derecognition of financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety (except for equity instruments

designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

3.17 Financial liabilities

a) Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

b) Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

3.18 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

3.20 Segment reporting

Operating segments are identified and reported taking into account the different risks and returns,

the organization structure and the internal reporting systems.

3.21 Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

4. Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty

Inherent in the application of many of the accounting

policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimation uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, employee benefit obligations, impairment, provision for income tax, measurement of deferred tax assets and contingent assets and liabilities.

4.1 Critical judgments in applying accounting policies

The following are the critical judgements, apart from those involving estimations (Note 4.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

(a) Determination of functional currency

Currency of the primary economic environment in which the Group operates ("the functional currency") is Indian Rupee (₹) in which the Group primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).

(b) Classification of investment

Judgement is required in assessing the level of control obtained in a transaction to acquire an interest in another entity; depending upon the facts and circumstances in each case, the Group may obtain control, joint control or significant influence over the entity or arrangement.

Transactions which give the Group control of a business are business combinations. If the Group obtains joint control of an arrangement, judgement is also required to assess whether the arrangement is a joint operation or a joint venture. If the Group has neither control nor joint control, it may be in a position to exercise significant influence over the entity, which is then classified as an associate.

4.2 Assumptions and key sources of estimation uncertainty

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

(a) Impairment of assets

Determination as to whether, and by how much, asset is impaired involves

Management estimates on uncertain matters such as future prices, the effects of inflation on operating expenses, discount rate etc.

(b) Litigations

From time to time, the Group is subject to legal proceedings and the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavourable outcome and the liability to make a reasonable estimate of the amount of potential loss. Provision for litigations are reviewed at the end of each accounting period and revisions made for the changes in facts and circumstances.

Note 35 : Details of dues to micro and small enterprises as per MSMED Act, 2006

There are no Micro and Small Enterprises as defined in the Micro and Small Enterprises Development Act, 2006 to whom the company owes dues on account of principal amount together with interest and accordingly no additional disclosures have been made. The above information regarding Micro and Small Enterprises has been determined to the extent such parties has been identified on the basis of information available with the company and the same have been relied upon by the auditors.

Note 36 : Fair Values

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

**Notes forming part of consolidated financial statements**

for the year ended 31 March, 2021

Note No 37: Financial instruments – Fair values and risk management**Risk management framework**

The Company / Group's activities expose it to a variety of financial risks, including revenue risk, market risk, credit risk and liquidity risk. The Company / Group's primary risk management focus is to minimize potential adverse effects of revenue risk. The Company / Group's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company / Group, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's / Group's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

Credit risk

Credit risk is the risk of financial loss to the Company / Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The company's primary business is dealing in Iron and Steel products which is on credit to parties and are subjected to assessment of creditworthiness. The creditworthiness is periodically reviewed for any high risk credit receivable. Based on such assessment the management is of the view that there is moderate credit risk in respect of its trade receivables.

Trade and other receivables

"The company's primary business is trading and providing services. There are certain receivables arising from the same for which required assessment of credit worthiness is being carried out by the company on a recurring basis based on which the company is of the view that there are no significant expected losses on account of its trade receivables. The age-wise breakup of the receivables is as under:"

Summary of the Company's exposure to credit risk by age of the outstanding from its customers is as follows:

Particulars	Amount in Lakhs	
	31-Mar-21	31-Mar-20
Neither past due nor impaired	500.94	2,225.20
Past due but not impaired		
Due 1 -90 days		
Due 91 - 180 days	460.54	117.35
Due 181 -270 days	244.64	98.27
Due 271 -365 days	10.21	243.57
Due more than 365 days	2,510.99	2,806.47
	3,727.31	5,490.86

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. Hence, the company has not recognized any provision for expected credit loss till date except as mentioned at Note no. 31.

Cash and cash equivalents

Out of total Cash and Cash equivalent of Rs. 59.38 Lakhs and Rs. 73.28 Lakhs as at March 31, 2021 and March 31, 2020 respectively, the Group held cash and cash equivalents with credit worthy banks and financial institutions of Rs. 39.42 Lakhs and Rs. 48.28 lakhs as at 31st March 2021 and 31st March 2020 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and there are no indications of them being negatively impacted.

Guarantees

The Company has provided the following financial guarantees:

Particulars	Amount in Lakhs

Notes forming part of consolidated financial statements

for the year ended 31 March, 2021

Note No. 38 : Financial risk management objectives and policies

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Currency risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

'Carrying amount of Financial Assets and Liabilities:

Financial assets (carried at amortised cost) :

Particulars	Amount in Lakhs	
	March 31, 2021	March 31, 2020

Other financial liabilities	3,196.91	4,198.33
At end of the period	6,017.70	7,500.89

The sensitivity analyses in the following sections relate to the position as at March 31, 2021 and March 31, 2020.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2021.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020.

'Credit risk on Financial Assets

The company is primarily engaged in the business of trading in Iron and Steel. Payments by it are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of Trade Receivables, Loans and Advances and other assets. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as it mainly consists of

customers who are assessed by the management and the collection is received on timely basis within the credit period which is about 30 to 90 days. Ageing analysis of the age of trade receivable amounts that are past due as at the end of reporting year but not impaired are given herein before. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 30 to 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's top management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the top management on an annual basis, and may be updated throughout the year subject to approval of the Company's board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company maximum exposure to credit risk for the components of the balance sheet at March 31, 2021 and March 31, 2020 is the carrying amounts as illustrated in Note 12 & 14. The Group's maximum exposure relating to financial guarantees and financial derivative instruments is noted in notes and the liquidity table below.

Interest Rate

The company does not operate in an industry that requires intense capital and hence the exposure to interest rate risk is reasonably moderate. The major component of the interest charge for the company is denominated in variable risk instruments which are basically in the form of loan from banks and FI's. The details of the borrowings of the Company is given in the respective notes on borrowings.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rate are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

Particulars	Amount in Lakhs	
	March 31, 2021	March 31, 2020

**Interest rate sensitivity**

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after excluding the credit exposure for which interest rate swap has been taken and hence the interest rate is fixed. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Amount in Lakhs	
	March 31, 2021	March 31, 2020
Increase in basis points		
- INR	50.00	50.00
Effect on profit before tax		
- INR	-96.61	-90.18
Decrease in basis points		
- INR	50.00	50.00
Effect on profit before tax		
- INR	96.61	90.18

Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2021 and March 31, 2020 is the carrying amounts as illustrated in Note 21. The Company's maximum exposure relating to financial guarantees are noted in the liquidity table below:
