Vijay Nirman Company wins New Order worth INR 167 crores

25th October, 2018 Mumbai: Kridhan Infra Limited (“KIL” or the “Company”) is happy to announce that its associate company Vijay Nirman Company Private Limited (“VNC”) has secured new civil construction work worth INR 167 Crores.

The company has secured the work for construction of minor bridges, culverts, ROB and other associated elements included in Purvanchal Expressway (Package – V) development contract. VNC’s work on this project is expected to be completed over a period of 15 months from the date of start i.e. 25th November, 2018.

VNC is critically acclaimed as the leading bridge-maker in India with over 30 years of operations. It has completed over 400 projects and has an exceptional reputation in civil engineering design and project management. Apart from EPC projects within the roads and bridges segment, affordable housing is a major growth driver for VNC and the segment contributes to over 50% of VNC’s order book. KIL currently owns approximately 41% stake in VNC and hence, VNC operates as an associate company of KIL.

About Kridhan Infra

Established in 2006 with headquarters in Mumbai, Kridhan Infra is one of the pioneers in introducing the concept of ready-to-use steel for the construction industry in India. Within a short span of time, KIL expanded its business to Singapore, Myanmar, Malaysia, and other South East Asian countries. The company acquired KH Foges in 2012, the then ninth largest foundation engineering company in Singapore. Using its strong technical acumen in the piling segment, KH Foges is now Singapore's second largest foundation engineering company. KIL entered the EPC space with the acquisition of Swee Hong Ltd. – a 50 year old civil construction company in Singapore with several iconic buildings and businesses to its credit. KIL strengthened its India business with the recent acquisition of Vijay Nirman Company. VNC is critically acclaimed as the leading bridgemaker in India with over 30 years of operations. The company has completed over 400 projects and has an exceptional reputation in civil engineering design and project management. Apart from EPC projects within the roads and bridges segment, affordable housing is a major growth driver for the company and the segment contributes to over 50% of VNC's orderbook. The company aims to capture a larger share of the mass affordable housing market in Andhra Pradesh using its expertise in Shear Wall Technology.
