Press Release

Kridhan Infra signs MoU with CCCC Tianjin Dredging Co. Ltd.

Mumbai, 3rd August, 2015: Kridhan Infra Limited ("Kridhan Infra"/ the "Company"), has signed a Memorandum of Understanding (MoU) with CCCC Tianjin Dredging Co. Environmental Engineering Co. Ltd. ("TDC-ECC") to work together in the Indian market for business opportunities in the field of Dredging and all related activities.

CCCC Tianjin Dredging Co., Ltd. (TDC), a wholly-owned subsidiary of China Communications Construction Company Limited (CCCC), is the first and largest specialized dredging organization in China. TDC's fleet of cutter suction dredgers ranks No.1 in China and high in the world. TDC main businesses include port and waterway dredging, land reclamation, hydraulic and foundation engineering, survey, design, consultation and environmental dredging. TDC has worked in over 30 coastal ports of China and in international projects in more than 10 countries and regions of Southeast Asia, South Asia, the Middle East, North Africa and Southern Africa.
